The Basement Guys™ Recognized for Superior Service

COLUMBUS, Ohio—Advanced Foundation Solutions, “The Basement Guys™,” was recognized with the 2004 Angie’s List Super Service Award®.

The Basement Guys™ received the award by achieving and maintaining a superior service rating in the basement waterproofing category on Angie’s List® throughout 2004.

Angie’s List®, a national Web-based homeowners resource, allows members to rate local service companies in various categories. Companies are judged on price, quality, responsiveness, punctuality and professionalism.

“We are pleased to continue to maintain a superior rating by our customers. Customer service and satisfaction are our top priorities,” said President Luke Secrest. “This award reinforces that our employees are doing an excellent job in servicing our customers.”

A leader in its industry, Advanced Foundation Solutions, “The Basement Guys™,” is the only full-service basement waterproofing and foundation repair company in central Ohio. The company serves residential and commercial customers within a 100-mile radius of Columbus. Founded in 2000, The Basement Guys™ provides basement waterproofing, foundation stabilization, piling, wall reinforcement, excavation, downspout installation and repair, sump pump replacement and repair, concrete driveways

-more-

and patios, commercial drainage and site work services. President Luke Secrest was named the Small Business Administration's 2005 District Small Business Person of the Year. The company also was honored by the Family Business Center of Central Ohio as the 2004 Family Business of the Year. For more information, visit www.thebasementguys.com.
