Rehner of The Basement Guys™ Earns National Certification

COLUMBUS, Ohio—Andrew C. Rehner, sales representative and field inspector for **Advanced Foundation Solutions, LLC**, “**The Basement Guys™**,” has become a nationally certified waterproofing specialist (CWS) by the National Association of Waterproofing and Structural Repair Contractors (NAWSRC).

To earn the top accreditation given by the association, Rehner underwent rigorous training and was tested in various technical areas, such as safety and ethics. To maintain his certification, he must attend 15 hours of continuing professional education every two years.

As a sales representative and field inspector, Rehner meets with customers, assesses and diagnoses foundation problems and recommends solutions.

He holds a City of Columbus/Experior certification, a piercing and foundation repair certification from Fasteel Systems and is certified by Fortress in Carbon Fiber Technology.

A 1977 graduate of Westerville South High School, Rehner resides in Delta, Ohio with his wife, Holly.

A leader in its industry, Advanced Foundation Solutions, “The Basement Guys™,” is the only full-service basement waterproofing and foundation repair company in central Ohio. The company serves residential and commercial customers within a 100-mile radius of Columbus. Founded in 2000, The Basement Guys™ provides basement waterproofing, foundation stabilization, piercing, wall reinforcement, excavation, downspout installation and repair, sump pump replacement and repair, concrete driveways
