The Basement Guys™ Enter Toledo Market

COLUMBUS, Ohio—Advanced Foundation Solutions LLC, “The Basement Guys™,” announces the company’s first expansion beyond central Ohio with the opening of a Toledo operation.

“The Basement Guys of Toledo™,” located at 3560 Marine Road (ZIP code 43609) will provide basement waterproofing and foundation remodeling to residential customers. The company will also begin use on its patent pending waterproofing system, crack injection formula, steel and carbon fiber wall supports at the Toledo location.

Andy Rehner, of Delta, will serve as the general manager and partner of the Toledo office. Rehner was a sales representative and field inspector at The Basement Guys™ Columbus headquarters.

“We are very excited to break into this market,” says Luke Secrest, president and founder of the company. “Our unique services and products will significantly fill a niche within the area.”

Secrest founded The Basement Guys™, in 2000 to challenge the competition by providing superior customer service and craftsmanship in the basement waterproofing and foundation remodeling industry for residential and commercial customers.

A leader in its industry, Advanced Foundation Solutions, “The Basement Guys™,” is the only full-service basement waterproofing and foundation repair company in central Ohio. Founded in 2000, The Basement Guys™ providing basement waterproofing, foundation stabilization, piling, wall reinforcement, excavation, downspout installation and repair, sump pump replacement and repair, concrete driveways and patios, commercial drainage and site work services. The company serves residential and commercial customers within a 100-mile radius of Columbus. President Luke Secrest was named the Small Business Administration’s 2005 District Small Business Person of the Year and one of Business First’s Forty Under 40 emerging leaders in 2005. The company also was honored by the Family Business Center of Central Ohio as the 2004 Family Business of the Year and was recognized by Business First as one of the ‘Fast 50’ fastest growing companies in the area.
