The Basement Guys Promotes Price to Supervisor

COLUMBUS, Ohio—Advanced Foundation Solutions, “The Basement Guys™,” has named **Josh M. Price** as supervisor.

Price’s new responsibilities as a supervisor include monitoring staff performance on job sites, managing project completion deadlines and ensuring customer satisfaction throughout a project.

Since joining the company, he has held numerous positions. As a past laborer and foreman, he has been involved in all of the basement waterproofing and foundation repair aspects of the business.

“Josh has a strong work ethic,” said President Luke Secrest. “His dedication has paved the way for him to work his way up within the company and I have full trust in placing him in this leadership role. The crews respond very positively to him, as do our customers.”

Price is a graduate of Gahanna Lincoln High School and attended Columbus State Community College. He is a resident of Columbus (ZIP Code 43202).

A leader in its industry, Advanced Foundation Solutions, “The Basement Guys™,” is the only full-service basement waterproofing and foundation repair company in central Ohio. The company serves residential and commercial customers within a 100-mile radius of Columbus. Founded in 2000, The Basement Guys™ provides basement waterproofing, foundation stabilization, piling, wall reinforcement, excavation, downspout installation and repair, sump pump replacement and repair, concrete driveways and patios, commercial drainage and site work services. President Luke Secrest was named the Small Business Administration’s 2005 District Small Business Person of the Year. The company also was honored by the Family Business Center of Central Ohio as the 2004 Family Business of the Year. For more information, visit www.thebasementguys.com.
