## *The Basement Guys Hires Chapman as Project Manager*

**COLUMBUS, Ohio – Advanced Foundation Solutions, “The Basement Guys™,” has hired Tim R. Chapman as project manager.**

As project manager, Chapman implements new projects and procedures for the company.

His background includes experience in management and real estate ventures. He previously worked for a local company as national sales account manager, overseeing more than 1,000 national restaurants franchises.

“We are pleased to have Tim join our team,” said President Luke Secrest. “His management background and experience is an asset to our company.”

Chapman graduated from Whitehall Yearling High School and attended Wright State University in Dayton, Ohio. He lives in Columbus (ZIP Code 43207).

*Advanced Foundation Solutions, “The Basement Guys™,” is a leader in its industry and is the only full-service basement waterproofing and foundation repair company in central Ohio. The company serves residential and commercial customers within a 60-mile radius of Columbus. Founded in 2000, The Basement Guys™ provides basement waterproofing, foundation stabilization, piling, wall reinforcement, excavation, downspout installation and repair, sump pump replacement and repair, concrete driveways and patios, commercial drainage and site work services. It is a proud member of industry organizations such as the National Association of Waterproofing and Structural Repair Contractors (NAWSRC) and the National Association of the Remodeling Industry (NARI). It is the recipient of the 2004 Family Business of the Year Award. For more information, visit [www.thebasementguys.com](http://www.thebasementguys.com).*
